### Adding Your Piece: Annual Giving Campaign

HELP SURVIVORS OF SEXUAL ASSAULT  
**BECOME WHOLE AGAIN**  
ANNUAL GIVING CAMPAIGN

Our inaugural Annual Giving Campaign is under way! The mosaic of services we offer to those who have experienced sexual violence is what puts our clients on the path to *Become Whole Again*. Please contribute and help us reach our goal of \$75,000.

*The Community Foundation for Northeast Georgia will match your gift if you note "CFNEG Match" when you donate!*

Money raised will fund staffing and operations for critical services like crisis intervention and advocacy, legal services, forensic medical care, a 24/7 crisis line, education & training, trauma-informed programming, and our Children's Advocacy Center. Picking up the shattered pieces to create something intact requires our staff's intensive and skilled support as they address each and every one of these specific needs.

Please add *your* piece to our mosaic and make a pledge today.

## Making Mosaic: The People Behind Our Mission

*A fun fact, interesting tidbit, or compelling story about the people at the heart of our organization.*

We asked **Maryam Jordan**, who leads Mosaic Georgia's professional education and training services, ***What is a place you have never been but want to see someday?*** "I've traveled internationally and even lived abroad a few times but I have never been to Victoria Falls in Zambia and Zimbabwe, Africa and would love to visit, take a dip and hike around the area."

*Your donation is the strongest way to help empower those who have been impacted by sexual violence. Mosaic Georgia's myriad of services are **free of charge**. These donations allow us to continue this crucial support as well as enhance our offerings to the community. We are grateful for your support!*
